Schlitz

There is no beverage more healthful than
the right kind of beer. Barley malt and hops
—a food and a tonic. Only 3 1/2 per cent
of alcohol—just enough to aid digestion.

But get the right beer, for some beer is not healthful.
Schlitz is the pure beer, the clean beer, the filtered and
sterilized beer. No bacilli in it—nothing but health.

And Schlitz is the aged beer that never causes biliousness.

LEAVE THE COLLEGE

Members of the Senior Class
at Augustana Receive
Their Diplomas.

SEMINARY EXERCISES YESTERDAY

Prof. William R. Harper, of Chicago,
Delivers the Graduating Ad-
dress This Morning.

The last of the exercises of the an-
nual commencement at Augustana
was the graduation of the college
class this morning. The chapel was
more than filled when the music
was begun at 10 o'clock with music
by the band. Following a hymn, Rev.
A. W. Kjellstrand gave the invocation.
A number was given by the trio com-
posed of Franz Zedeler, A. D. Bodfors
and F. E. Peterson. Then came the
address by President William Rainey
Harper, of the University of Chicago.
The Wennerberg chorus rendered a
number, Dr. Andreen presented the
diplomas and J. F. Lindblom gave the
valedictory. The graduates who re-
ceived diplomas this morning are:
L. G. Abrahamson, A. A. Ahlquist, A.
G. Alm, A. Anderson, P. Benzon, P. E.
Bergstrom, A. Carlson, C. A. Evald,
B. Gest, C. Jacobson, C. E. Lindberg,
J. F. Lindblom, D. E. Lofgren, A. W.
Lovene, A. G. A. Nelson, J. Olsenius,
A. Sandbacka, C. O. Swanson and E.
E. Torell.

Prof. Harper's Address.
The address by President Harper
was very well received and was fully
up to the standard expected of the
noted educator and scholar. He took
as his topic "Religion and the Higher
Life." He first spoke of what he un-
derstood as included in the higher
life and how those connected with the
college, university and education were
doubly the members of the class
which goes to make up the element.
He took the ground that religion was
absolutely essential to the artist,
scientist, moralist and philosopher be-
cause it furnishes a peace of mind
and calm of soul unattainable through
any of the other higher forms of
thought. Art appeals to the imagina-
tion and emotion, science to the in-
tellect and judgment, morality to the
will; but religion combines all
these qualities in addition to those
mentioned as peculiarly its own.
Therefore no man can lead out a
fully rounded existence and realize
his development in the highest and
the fullest form without religion, but
it should be simple, tolerant and fitted
to his particular need. In conclusion,
he advised the class that religion had
very much to do with the higher life,
was worth careful consideration, and
lastly, capable of adjustment to every
individual, no matter how peculiar his
temperament.

Seminary Commencement
Last evening at the chapel took
place the commencement exercises of
the seminary. The program was pre-
sented before an audience that filled
the house. It opened with a selection
by the band followed by a hymn in
Swedish by the audience. Then after
scripture reading there was a violin
solo by Franz Zedeler that was warm-
ly received. Following this came an
address in Swedish by Rev. A. Nor-
bom, sacred songs by the chapel choir
and an address in English by Dr. A.
A. Brandell. After another song by
the Wennerberg chorus President An-
dreen presented the members of the
class with their diplomas and the pro-
gram closed with the singing of the
doxology and benediction.

The seminary graduates this year
are: J. A. Bender, C. E. Bengtson,
O. A. Elmquist, B. N. Glim, C. A. Hall-
berg, F. V. Hanson, T. S. Johnston, C.

The readers of this paper will be
pleased to learn that there is at least
one dreadful disease that science has
been able to cure in all its stages, and
that is catarrh. Hall's Catarrh Cure
is the only positive cure known to the
medical fraternity. Catarrh being a
constitutional disease, requires a con-
stitutional treatment. Hall's Catarrh
Cure is taken internally, acting di-
rectly upon the blood and mucous
surfaces of the system, thereby de-
stroying the foundation of the dis-
ease, and giving the patient strength
by building up the constitution and
assisting nature in doing its work.
The proprietors have so much faith
in its curative powers that they offer
\$100 for any case that it fails to cure.

SUNDAY CLOSING FOR BARBER SHOPS AGITATED

Unless present indications fail the
Sunday shave will soon become a
thing of the past in Rock Island and
Davenport. An agreement has been
practically accepted by the majority
of the shops and the employees to that
end and if unexpected opposition does
not develop it will be made operative
during the next few weeks.

It is claimed by those urging the
closing of shops Sundays, that in
other cities the size of Rock Island
and Davenport no shops are opened
for Sunday shaves, and both the shop
owners and employees feel that they
are entitled to the same privileges.
